Head of School

Mr. Norman Southward

Dear Students, Chers élèves,

All students and alumni hold the common connection of Ashbury to our lives. Of course, this relationship is based on different moments in time and with different meaning and experience. But Ashbury remains a place that holds some of our basic beliefs as described by our school motto: probitas, virtus, comitas – honesty, courage and kindness – and one that I hope provides a compass for whatever path Ashburians may follow. Seventy-six years ago Ashbury was a school of only 150 students, including 55 who arrived as WWII evacuees from the Abinger Hill School in England. In 1941, our Jubilee Year, our School Captain was a boy by named of Charles Burrows. Those were the precarious and challenging war years – and in his valedictory address, he spoke to the tone of those uncertain times and how, with Abinger Hill School connection, we adopted our motto that year. He noted that:

“This year has of course been particularly complex. Into our midst we have incorporated another school from another country, Abinger Hill. If we have contributed materially to their welfare, we have also learned from them and how we have come together from across the Atlantic in troubled times. Nobody knows just what lies ahead for most of us. Some of us will be joining up: others will be doing their part in different fields. We hope, however, that we shall always prove loyal to those common ideals which were instilled into the minds and hearts of Ashbury’s first students, fifty years ago.”

I share this piece of school history because in 2018 Ashbury remains a place that continues to benefit from our unique demographic – and that even in times of relative peace and prosperity we are not led to complacency or stray from our ideals that were created in times of need.

Aux élèves, je vous félicite pour vos efforts et votre progrès cette année. D’après moi, les élèves sont impliqués dans la vie scolaire d’une façon profonde. Vous avez vécu une variété d’activités non seulement dans les salles de classe, mais dans le sport, les arts visuelles et dramatique, la musique et au service de la communauté régionale, nationale et internationale. L’apprentissage se voyait partout cette année, avec un enthousiasme authentique et en suivant le chemin de nos valeurs.

All good wishes to the Class of 2018 and congratulations on all of our students’ engagement and successes in 2017-18!

Teaching and Learning at Ashbury College

Although the hallmark of an Ashbury education may be academic excellence, the essence of an Ashbury education is the teaching and learning relationships. So often we hear from our students and our alumni about the wonderful learning relationships that exist between students and their teachers. The more that students are able to interact with their teachers as learning partners, the stronger this relationship seems to develop.

Over this past year we have seen our teachers being passionate about bringing new and innovative teaching strategies for their classrooms. We have seen students deeply engaged in learning and we have marvelled at how well our students have been able to express their learning through activities, presentations, speeches, and performances.

In the last few years many Ashbury staff members began to engage in professional growth opportunities that are deliberate strategies, skills and attitudes that permeate the teaching and learning environment. International mindedness, global engagement and intercultural understanding are some of the areas that teachers have been studying and we have seen students speak passionately about these areas at various assemblies.

As you view these yearbook pages we hope that you are able to reflect on the many hours that you have spent in the learning environments at Ashbury, in the surrounding community or around the globe. We hope that all the value-added experiences have given you a strong base from which to maintain your lifelong learning.

Brian Storosko
Deputy Head, Teaching and Learning

Head of Senior School

Mr. Gary Godkin

Another year has passed, marked with many highlights; personal triumphs and accomplishments as well as many collective successes on the fields, in the gyms, in the theatre and on the stage. Whether it was playing a sport for the first time or winning a medal at OFSAA; auditioning for the chorus of the play or being nominated for a CAPPI; taking a programming course for the first time or competing in the provincial robotics championships, the experiences that you had are remarkable. Every week, I struggled to keep my message in the newsletter to a reasonable length because there is so much to write about. At Closing, I likened the grads to the main characters from the movie *The Incredibles*, and I was sincere in that messaging. I have no doubt that the class of 2018 will go on to do some very incredible things, not to mention all of their accomplishments already. OFSAA medals and records, scholarships to prestigious schools across Canada and the US, perfect scores on national math competitions, acceptances into some of the

most competitive university programs around the world, award winning writers, artists and musicians, and the list goes on. And I could write similar comments about students from grades 9, 10 and 11 as well. You all should be very proud.

Continue to ask the question why; continue to take risks; continue to challenge the status quo; continue to think and dream big. We are only confined to the boundaries we create for ourselves. The phrase 'the world is your oyster' has never been more true.

Thank you all for making 2017-18 another great year at Ashbury.

Head of Junior School

Ms. Kendal Young

This was a year of reviving the school's motto, Honesty, Courage and Kindness, through HCK moments at assembly, further developing the student voice through the Ashbury Cares Club and broadening our students' horizons through local, national and international trips. Students also played an active role in the planning of Closing; they chose student artwork for the cover of the program and Grade 8s chose a speaker to represent them as well as the winners of the Woods Shield and Principal's Award at the June ceremony. De plus, les élèves de la 7e et 8e années ont eu l'occasion de développer leurs compétences linguistiques dans notre programme bilingue qui offre six cours en français. Achieving balance during the year, students also performed in high-quality MAD (Music, Art and Drama) concerts, participated in a multitude of sports tournaments and engaged in friendly house competitions with the Senior School in

winter carnival and Springtime Funtime. Outdoor education, including camps and Earth Studies, for all grades added to the richness of our Junior School program as did our first-ever bilingual poetry and public speaking competitions. Regrettably, this was Mrs. Boyd's last year before retiring from the teaching profession. We are most grateful for the generations of students she has influenced. Her teaching practices, special sayings and innovative activities will be remembered as we plan for the future. Thank you again to the students and teachers who make the Junior School an engaging and caring place to learn.

Gabrielle Hicks

After six great years at the College, it is finally time to say goodbye, I must say I've come a long way from the tween I was when I first came to Ashbury in grade 7. It's been an absolute pleasure and privilege to be Ashbury's Co-Captains for the 2017-2018 school year. I feel extremely lucky to have had this opportunity and I'm grateful for all that I've learnt and experienced throughout this year. I'm proud of what we have accomplished as a pair and as a Student Leadership team, and I could not have asked for a better group of people to work with. You guys have all been phenomenal. Thank you to all of my teachers, coaches, mentors, faculty, Kaniz, Mr. Lamont and my friends & family for supporting and encouraging me not only this year but for all the years before that as well. I could not have done it without you.

Although at times this role was challenging, I enjoyed every bit of it. It pushed me to see Ashbury beyond my own personal lense and to understand what this school means to everyone. This lead Kaniz and I to conclude that although we have been the face of the student body, there was a piece of every student shared between the two of us. Whether you've been the one that smiled at us in the hallway after we had a bad test, the tag food after a tough first period class, picking up a calculator when we dropped one, or the teacher who took time out of your day for extra help, or the coach who gave us a pat on the back when we needed it - each in your own unique way have added a piece to our experience here at Ashbury. We thank the student body for believing in us, motivating us, and for overall being an amazing school community. You are what made this role so gratifying and enjoyable the whole way through.

The only way I can describe leaving Ashbury is that it is a truly bittersweet moment. Having the opportunity this year to be so engaged with the students and staff has reminded me of how lucky we are to be at such a great school. I will miss all of you and I wish you all the best of luck in the next school year. Adam & Alyssa, it is your turn now...break a leg!

Kaniz Williams

Having to condense my 4 years here at Ashbury into a blurb is a very challenging task so rather than speaking about me, I would like to speak about people that made it possible for me to have this special section in the yearbook.

To my whole grade, thank you so much for welcoming me into your home and your school. Being a timid grade 9 scared to really say much but the environment at Ashbury ensured that I made sure I knew there was a place for me here and for that I am eternally grateful

To the teachers, some that gradually became coaches and many became mentors. Thank you for letting me blossom and grow from the little shy grade 9 kid to the little young adult I have become

Gabby Hicks, thank you for being such a great partner and pushing me to work to the best of my ability. Without you, I would not have become as dynamic and as effective as a leader that you have forced me to become.

To everyone in the institution, this year has been one to remember. Taking on the role of Head Boy has been an amazing opportunity that would not be possible without your support. The environment has been one that makes the job so smooth and has let me feel comfortable in the position and with the help of each and everyone in the school I have been able to succeed in the role. Mr. Lamont thank you for being an inspiring mentor, with all the different initiatives that started off as little seeds being planted you allowed both Gabby and I see that seed become a beautiful plant.

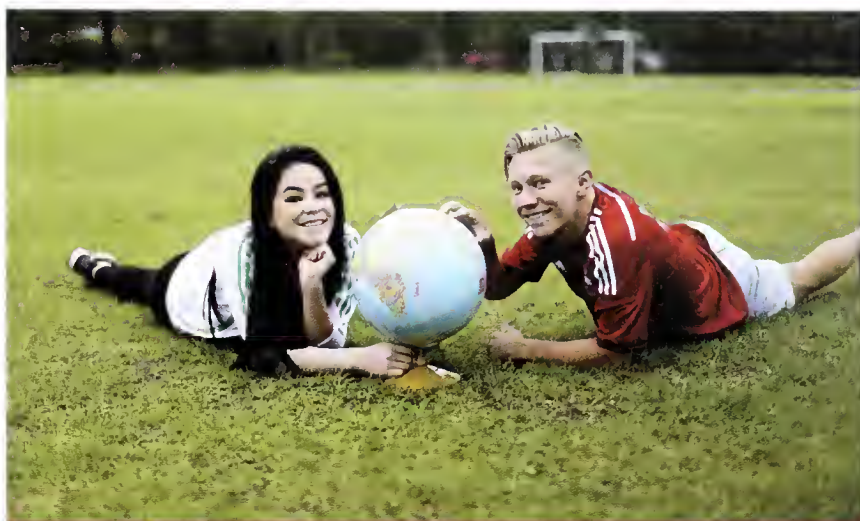

Thank you all for a memorable final year!

This year, opening ceremonies were held on September 6, 2017. Senior school students met with their Teacher Advisory Groups quickly before heading out to the full school assembly at 8:45a.m. to be addressed by the school captains and the Headmaster, Mr. Southward. The messages generally blended good advice with humor, making everyone in the student body feel welcome, regardless of if it was their first year at Ashbury or the beginning of their last!

This year, Homecoming was held on Saturday September 22, 2017. A general call out for volunteers was met with large success. Students from years ending in a '3 or '8 were in attendance as well. Perhaps one of the most well attended booth was the face-painting station where members of the community and children got to show off their Ashbury spirit. The football game was well attended as was the soccer match. A big thank you to all those who attended this year!

Homecoming

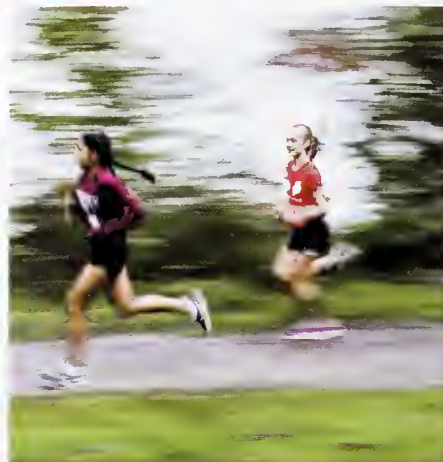

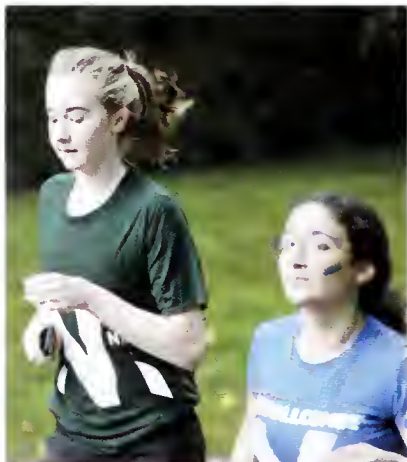

Inter-House Dodgeball

Students took to the streets running for the annual house run, the first major test of house strength for the year!

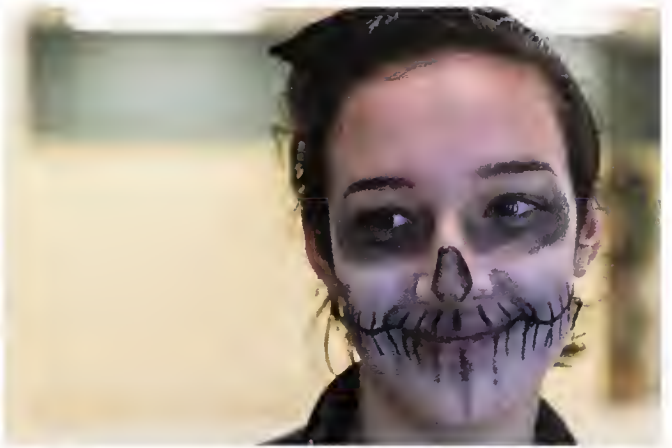

After years of dominating the house run, Alexander House could unfortunately not continue their streak. All houses put out a strong showing, but in the end,

Woolcombe House brought home the win. Connaught House and New House fought for second, and Alexander House rounded out the field. Overall, it was a great house competition to kick off the year!

House Run

What was the most spooktacular event of the year? You guessed it; Halloween! Students came to school dressed up in all sorts of costumes. We had cowboys, witches, goblins, and ghouls...oh my! At the Halloween Dance that evening, there were amazing decorations and even more spooky costumes! No matter where you looked you couldn't escape the haunting decor. This dance was one to remember. We had the biggest turn out we've had in five years! Come back next year, we're *dying* to see you...

TEDx is a yearly event held at Ashbury. This year, the event was a large success due to all of the junior and senior students, teachers, guest speakers, and the committee organizing the event. The topic this year was Exploring Our Boundaries. The speakers that day discussed many different events from science, to personal stories!

On November 9th, 2017, both the junior and senior school gathered in Maclaren Hall to honor all the fallen soldiers during the world wars and others alike. They listened to poems and letters written during war time, and afterwards listened to music similar performed by the Senior Concert Band. Ashbury also had a very special guest, Staff Sergeant Brad Hampson.

Remembrance Day

As Ashbury's first 'Got Talent' in history, it's safe to say it was unforgettable! The acts ranged from traditional dances, to musical acts, to a winning magic act, and more! The hosts and MC's of the night only added on to the encouraging yet fun atmosphere. Special thanks to everyone involved for making this a memorable and successful night! Congratulations to Chris Gauthier for winning the first place prize!

Ashbury's Got Talent

This year, Musicals at Ashbury, headed by Ms. Maynard and Ms. Froggett, put on an tear-jerkingly funny and heartfelt rendition of Legally Blonde the Musical. The actors and musicians captured the hearts of each audience member through the hilarious scenes and well known songs. It was comedic, peppy, and peppered with every shade of pink you could imagine. The show took us on a journey with Elle Woods as she made her way to Harvard Law and started to piece together her bright future with many friendships and romances along the way. This show would not have been possible without the hard work and dedication of the stage crew, band members, cast members, and wonderful directors.

Legally Blonde

The Winter holiday was celebrated with fun and festivities all throughout Ashbury!

From snowmen building, to skiing, to cookie decorating!

On top of that, Ashbury students were excited to see that Santa and Mrs. Claus had come to say hello and take pictures (after a stellar entrance on a sleigh across MacLaren Hall of course).

Winter Holidays

On November 16, 2017, Ashbury had the pleasure to host the Kenyan Boys Choir. They are a choral ensemble of talented boys drawn from high schools and colleges around Kenya. We were lucky enough to have the group perform for us; the boys have previously performed at President Obama's inauguration in 2009 and at multiple Me to We days around the world! The hard work that the boys put into practicing really showed during their 45-minute presentation to all Senior School students.

Chinese New Year was a great celebration filled with so many great activities such as calligraphy, food tasting, and watching a colourful dragon performance! This day was one whole day where we appreciated, and celebrated the Chinese culture. We hope that it was an enjoyable experience for everyone!

Chinese New Year

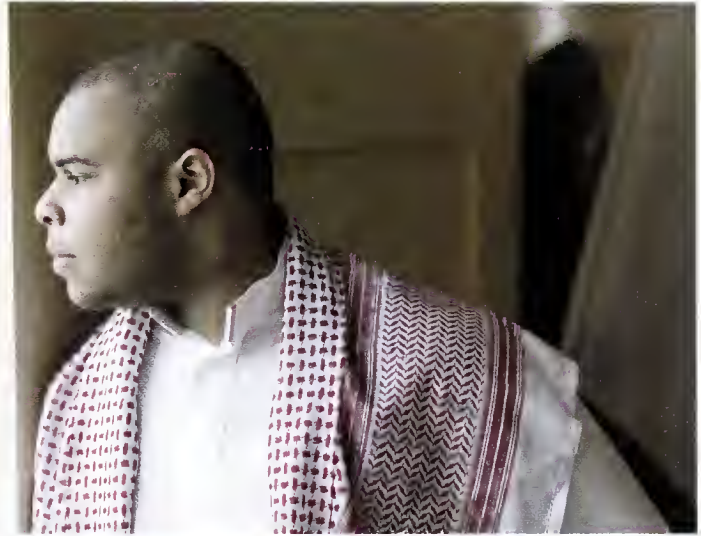

The Art Show this year was based on the theme of 'Head In The Clouds'. It was made up from all of the senior school visual arts students, and also had performers from the music programme.

The entire event was spread throughout the school, showcasing all of the fantastic and imaginative art work by our very own Ashbury students. One unforgettable event was the fashion show, made possible by our very own grade 11s!

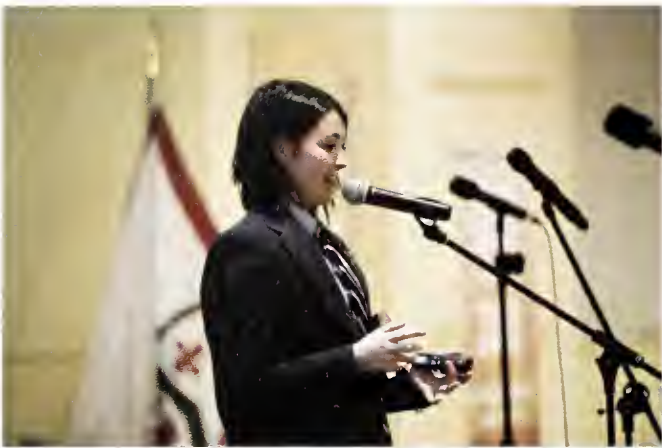

Art Show

International Day was truly an amazing day filled with various engaging activities. The food booths were a blast, and we definitely can't forget the performances! From dancing, to singing, to poems, to truly heartfelt stories from our presenters, we got an inside look at some of the rich cultures our Ashburians are proud to be a part of!

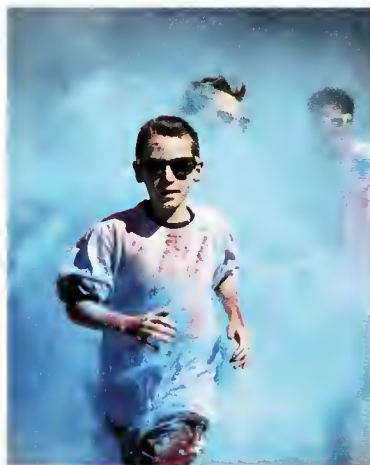

International Day

On April 17th, Ashbury Innovate displayed many presentations, music, demonstrations and projects from the junior and senior school, alumni, and staff! All of the speakers showed quality understanding of their subjects and very well presented topics for the Ashbury and Ottawa communities.

During the Ottawa Race Weekend, the Ashbury community took part in running to support the Ottawa Hospital Cancer Research and other programs at the Tamarack Race Weekend. Students and staff took part in running the 5k, 10k, 21.1k, and the full marathon. Some students also volunteered at Ashbury's water station during the marathon. In total, Ashbury raised \$18,250 for this great cause.

For six years Ashbury's been my home away from home. Thanks for everything. To my coaches & teachers, thanks for being amazing. Mrs. Holman, thanks for the constant support. Shvi, AM, & gup, you've turned my bad days into good days. Bitty ballers&rugby sistas, keep working hard. Thanks mom&dad for being my number 1 fans & Simon for making me proud to be your little sister. Good luck Tuli. We've made it to the Big Leagues. Long live yams.

Graeme Hillier

Thank you to Ashbury and everyone who has been a part of this journey for making this time so memorable. I am very fortunate to have had such amazing opportunities to meet so many wonderful people and to learn so much.

Over my nine years at Ashbury I have learned 1 thing, there is always more to learn. I want to thank my parents for sending me to Ashbury, I enjoyed every minute, from sports teams, to clubs, to class except for exams. Rocky once said "Life's not about how hard you hit, it's about how hard you can get hit and keep going," and let me tell you Ashbury can hit very hard sometimes. Trips and almost falls on face "Ahem you didn't see that" - me for the past 18 years. All jokes aside my time at Ashbury has been fantastic, although it has only been two years these have definitely been some of the best two years of my life. My door will always be open to anyone at any time all you have to do is ask. So now to quote Jim Carey for my farewell "If I don't see you, good afternoon, good evening, and good night"

Emma Jones

Basketball, rugby, bio trips & leadership; six years at Ashbury have taught me so much about myself. To all the late CLC study sessions, the weekend warriors, baller bitties, camp experiences & breakdown buddy groups, I thank my friends for keeping me sane. Thanks coaches, Noonan & Novick for helping me through everything. To Mum & Dad for supporting and believing in me. To William, Gr11 counts, keep your head out of iffy Kijiji offers.

First of all, I would like to thank my parents for giving me support, opportunities and love day in and day out. Also, I would like to say thank you to all my friends for truly making these past years some of the best of my life. Special shoutout to Big Ted, Killa, and DJ Bass. My one regret from my time at Ashbury would not be using my elite athleticism to lead more of my school teams to victory. Thank you!!

I've learned a lot throughout my time at Ashbury; although somehow, I still don't know how to tie a tie. To my parents, thank you both so much for this opportunity, and for giving me six years of life-changing experiences. To my friends and teammates, thank you all for the unforgettable trips and memories. To my coaches, thank you for the laughs and for the continuous support you've given me. Ms. Sosnowska, I still owe you ten laps.

Anna Lepsoe

Thanks Ashbury for making the past six years so memorable. Thanks to my teachers, sorry for always being late! Thank you to my amazing mum, dad & Claire, who did at least half my assignments. GH, long live the bduo. L&N thanks for making me feel like the 6th Rechan. RS you are the salt to my pepper. Ms U, bless your cotton socks. KA, SW&TB thanks for supporting my avocado/coffee/tomato addiction. To all my yams, I love you. We made it to the big leagues!

House Spirit

Alexander House

We are always gracious in defeat. Humble in victory, however, is another story.

The fact of the matter is: Alexander House students are used to winning because it's in our blood. The bright yellow runners you see at the front of the race? A House. The group of zealous dodgeball players that are getting picked on by the other houses, yet still manage to come out on top? A House. That is why this year, the theme for Alexander House was that of royalty. Royal blood, winning blood, flows through each and every one of our veins. Once you're in A House, you're a part of a royal family that prides itself on tradition and competitiveness. Despite all the attempts by other houses to dethrone us, Alexander House has a proud legacy of being a top contender for 1st place; regardless of whether the competition is a Mario Kart race or a balloon pop battle.

From Dragons to Seniors, Alexander House is built on a foundation of cooperation among all grade levels. This community of passionate and united individuals is what makes students proud to be a part of Alexander House.

Red is the colour of extremes, and the Supreme.

It's the colour of passion, commitment, intimidation, and adventure. Red embodies Connaught; a group of 140 strong, powerful individuals coming together for victory, in every sense. Victory is not only presented by the numbers on a score sheet, but through the feelings of accomplishment and inclusion Connaught has been able to instill in all of its team, for years. Greatness is shown all throughout the year, on and off the field. Our love for each other, compassion for others, honesty in competition, and sportsmanship truly shines. Our pride echoes from coast to coast. Connaught's simple yet effective chants keep the heart of Rockcliffe beating.

C WHAT? C HOUSE.

This is why we chose to adopt the theme of Supreme Beings. The fire in our eyes never dims, Connaught never backsdown. We are constantly in pursuit of a collective victory, as well as 140 personal victories. Happy 2017-2018 to our mighty family, congratulations on yet another wholesome year. Once a Connaught, always a Connaught.

New House

FROM THE EAST TO THE WEST NEW HOUSE IS THE BEST!!

New House has truly had a great time this year! Our theme was "Newer Things" - based off Netflix's hit 80s-inspired sci-fi show "Stranger Things". This theme did not only make for some great merch (embroidered snapback caps, dri fit baseball tees and of course, the world's comfiest quarter-zip sweaters), but also allowed us to channel a full revamping of the house this year: making New newer! And of course, this is all thanks to you amazing house members! The year started with an intense cheer off at grade nine camp where we cheered so hard we lost our voices. We then proceeded to sweep the entire Housemaster Dodgeball competition with great participation from all grades and staff. The House run was a great success, with a shout out to the Junior Boys for winning their category. DD4C should also not go unnoticed - your donations have raised the charity to participation levels that up until this year have never been achieved! We are currently writing this in January, and we are so excited to see what the rest of the year has in store for the house. Thank you to all the members of the New House family for your high energy and awesome participation. It's been such a fun year!

GO GREEN!!

'Woollcombe' to the Woollcombe page!

For the first time, day + boarder students = epic spirit. House clothing came in clutch and was worn by many Ashbury celebs like Mr.Cameron, the house council, and all the good looking woollcombe lads :) It was great to see so much house sprit during the house run and when it comes to entire house participation we dominate. Winning isn't everything but we sure did wipe the floor during the winter snow ball fight. We loved working with Woollcombe this year and would like to thank our house council for all the support.

This year, the Varsity Girls Rugby team went to New Zealand for rugby and tourism. The girls visited many different landmarks and aquatic sceneries while spending their time there; this includes kayaking, hiking, and visiting breathtaking views. During the games, they played against tough New Zealand teams. All the girls on this trip had an amazing time and give a big thanks to their coaches, Ms. Ness, Ms. Palmer, and Mr. MacKinnon.

New Zealand Trip

The Outdoor Adventure Club is designed to offer wilderness-based experiences to push students outside their comfort zones. It allows them to disconnect and destress from the rigors of their daily life, while reconnecting with the natural world all around them. Experiences are offered by term and include weekly skill-building sessions that culminate in a multi-day trip at the end of each term. The club runs year-round, allowing students to get out and explore the beauty of the outdoors, in all types of weather conditions. Trips this year have included a 3-day hiking trip in Algonquin Park, 3-days winter camping in the Haliburton Highlands, and 4-days canoeing in the N. Frontenac Parklands.

ASHBURY COLLEGE
MARCH 1ST - 3RD, 2018

Outdoor Adventure Club

This has been an exciting year for Model UN participants, with sessions ranging from a North Korean nuclear weapons crisis, the crisis in Myanmar, the return of the black plague, to an invasion of Ashbury College. Taking a trip to Ottawa City Hall this year for a simulation on nuclear disarmament with guest speaker Mayor Watson really enhanced our club members experience this year. Delegates also ran an environmental themed crisis during our International Day celebrations, where students discussed the all too real flooding and global warming trends that are affecting countries across the globe. It has been a pleasure to see our delegates engage in political discussions, no matter what simulation, all while strengthening their diplomacy skills.

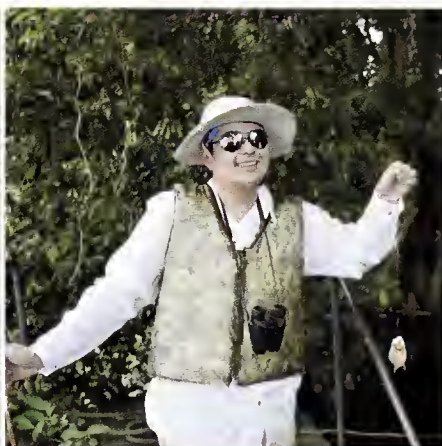

Model UN

Students visited Peru to explore the scientific wonders in the Amazon rainforest. All the students on this trip helped with scientific exploration in areas that need protection.

They were led by specialists and natives to see all the wonders this area had to offer. All of the students on this trip had an amazing time and learned so much as scientists and as leaders!

Retirements

Susan Wall 1999 - 2018

Ms. Susan Wall retires this year having started at Ashbury in 1999 and heading the Science Department for much of her career. If you have ventured down the science wing, Ms. Wall's class is easily recognizable - with no shortage of resources around the room. But if you stayed even for a few minutes in one of her classes you immediately see how she challenges students in the pursuit of knowledge and inquiry. Ms. Wall is a committed IB Teacher and environmentalist who bridged experiential learning with academic rigour and established several enduring initiatives at Ashbury including our Huntsman, Smart Team, Green Club and Willing Listener. Many alumni attest to the foundation she laid for their next steps in Science and research. On behalf of the Ashbury community we thank Ms Wall for the impact she has had on so many students over 19 years of teaching.

Also farewell to senior school faculty Eric Bailey, Daniel Reid, & Katherine Woodward

Excellent Eights!!

First Week!

The first week of school is a great chance for us to welcome new Ashburians to our school. There is a special day led by talented Gr. 8 leaders just for our new students and then we all get to know each other throughout the week during the scavenger hunt, barbeque and other fun activities.

Gn. 8 Leaders

The POD at Camp Smitty

Grades 4, 5, and 6 headed off to Camp Smitty in the fall in order to welcome the new 4s and to foster positive relationships for the year. Grade 6 spent the night and developed leadership skills that helped them to be great leaders in the POD. Teamwork, fun, and lots of laughs were all a part of this adventure!

What does it say?

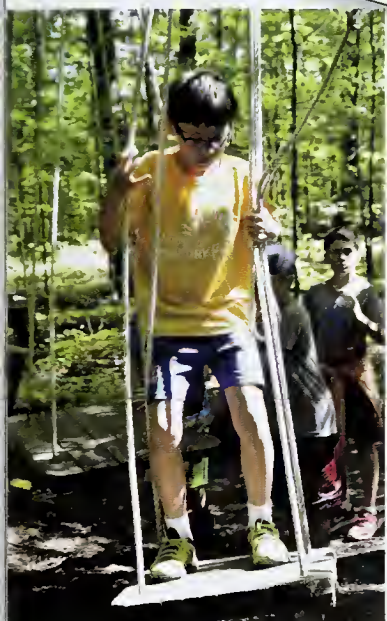

What's your secret identity?

Playing together!

What now?

It's all about balance!

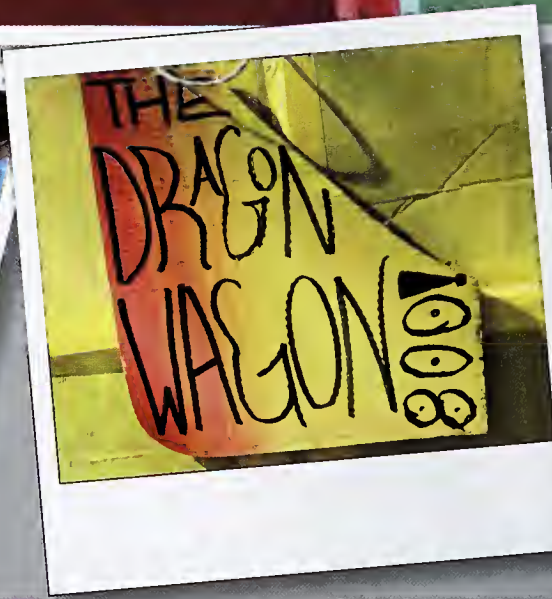

Gr. 7 at Camp Otterdale

Camp Otterdale is always a joyful adventure for Grade 7s at Ashbury. Students start off not knowing one another very well and by the end of the three days, we have all become familiar. This year we enjoyed fabulous weather which allowed us to rock climb, canoe, paint with watercolours, and try our hand at archery. We did not of course forget traditions like the polar bear dip, Mario Kart races and the talent show.

Fierce competition!

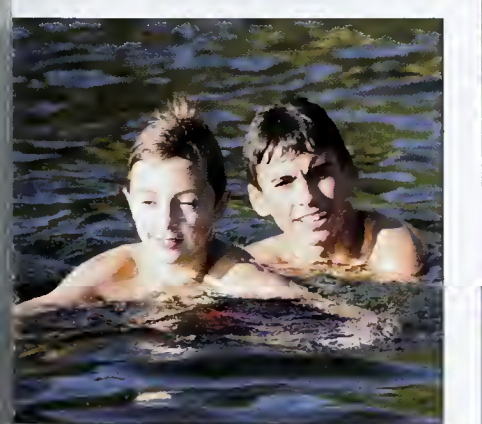

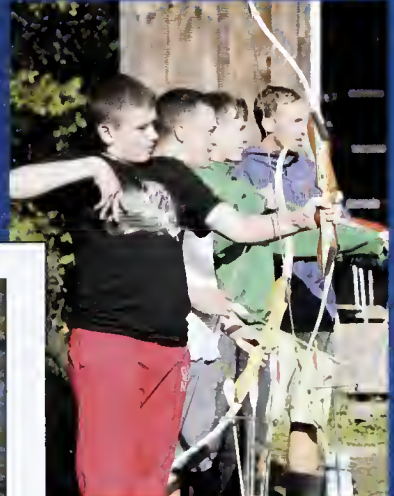

Glorious sunshine!

Aimez-vous nos costumes?

An early morning dip!

Gr.8 Leadership Camp

Grade 8s spent three days developing their leadership skills and giving back to their community. They did teambuilding activities at Ashbury for a day then spent another day at Christie Lake. Finally, they volunteered at the Youth Services Bureau, the Parkdale Food Centre and the Boys and Girls Club.

Good times!

Easy does it...

Fun in the sun!

Halloween

Creativity abounded in the Junior School on Halloween. There were lots of laughs and screams with students dressed up in costumes that ranged from the ridiculous to the absolutely horrifying!

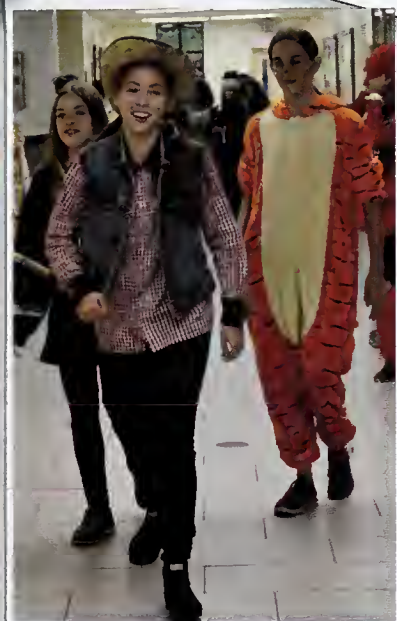

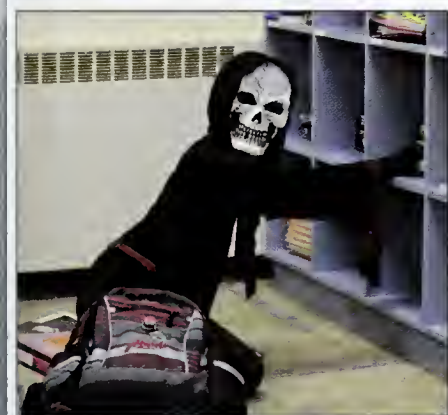

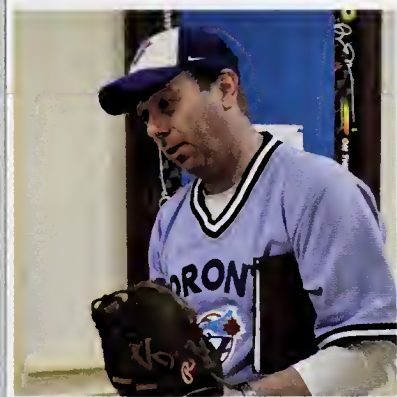

How's it going?

Um...your head seems to be detached!

Banana??

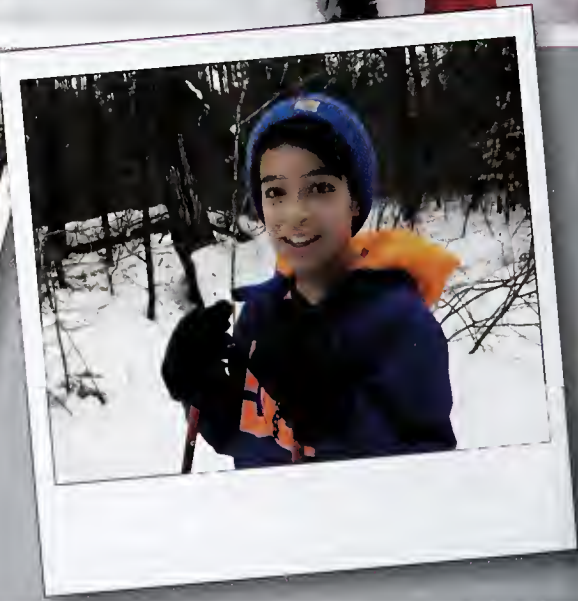

Back away slowly...

St. Donat

La septième année a eu la chance de passer quatre jours à St. Donat au Québec. Ils ont vécu la culture québécoise à travers la nourriture, la musique, les contes, des activités en plein air et évidemment la langue française. Ils ont aussi passé du temps sur la colline de ski à Mont Garceau.

Ville de Québec

La 8e année est partie en vacances à Québec. Ils ont appris beaucoup sur cette ville historique et ils ont eu la chance de découvrir leurs talents au cirque et en traîneau à chiens. La piste de toboggan devant le Château Frontenac était un moment magique du séjour.

Winter Scenes

It's quite cold and snowy in Ottawa so we have no choice but to jump in and have fun! We enjoyed the winter weather at break, at the ski hill, on winter activity days, and at Earth Studies.

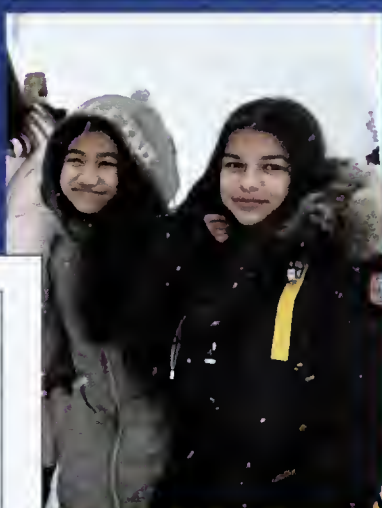

Finishing touch?

Football in the snow? Sure!

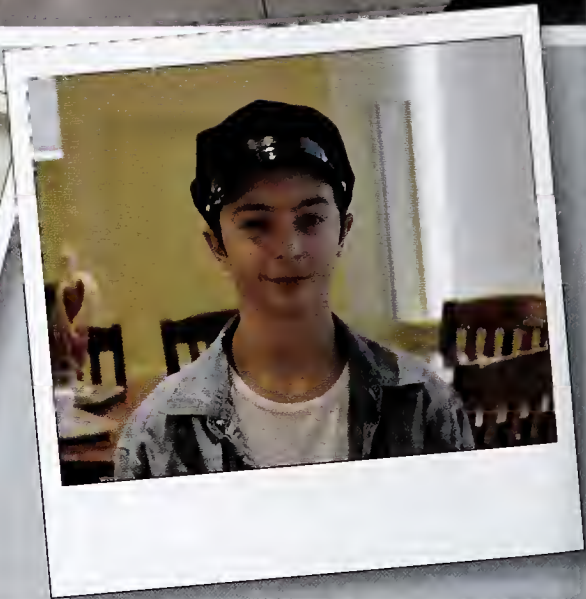

Bal de neige au parc Jacques Cartier

Spirit Week

To break up the winter blahs, we had to let loose and have some fun in the Junior School. This year there was a memes/animals day, a pyjama day, Valentine's Day, and throwback Thursday. There was a lot of school spirit from grades 4 to 8!

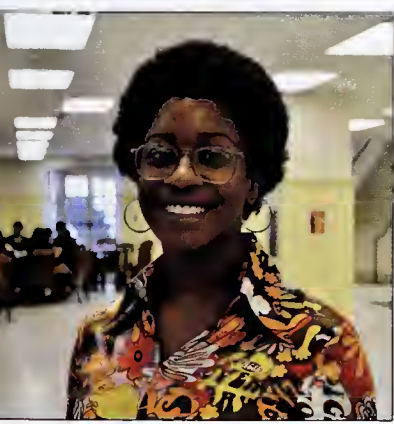

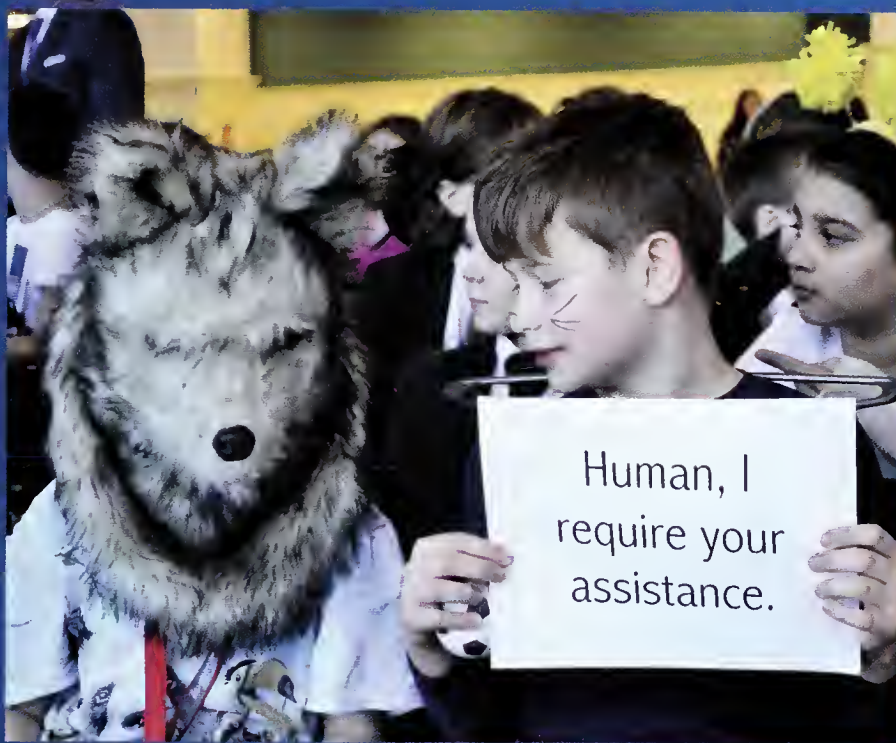

All you need is love!

Staying in my jammies all day!

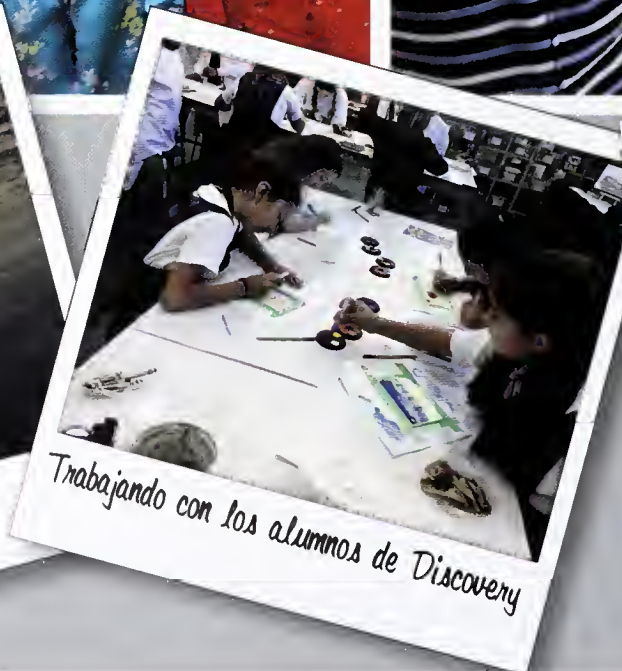

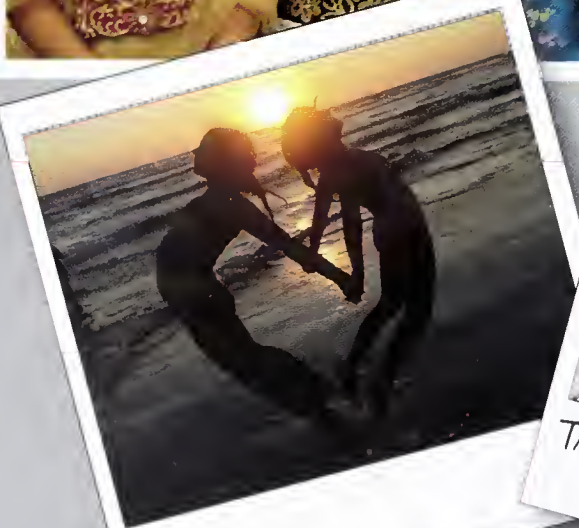

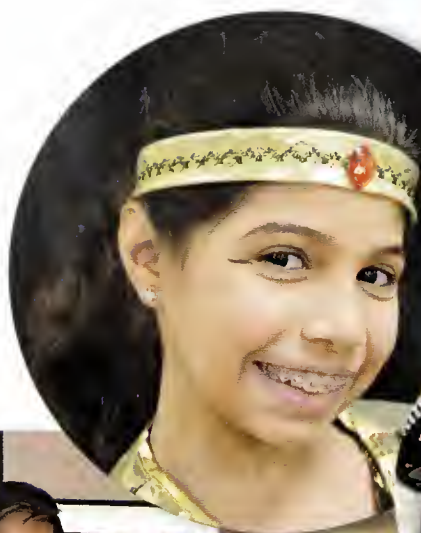

Captain of spirit!

Sixties in style!

Internationalism

We live our internationalism on a daily basis in our classes and celebrations. Junior School students also have the chance to highlight their roots on International Day. Some students explored other cultures on an exchange trip to Cuernavaca, Mexico and a Young Round Square trip to Colombia.

Vámanos a Colombia!

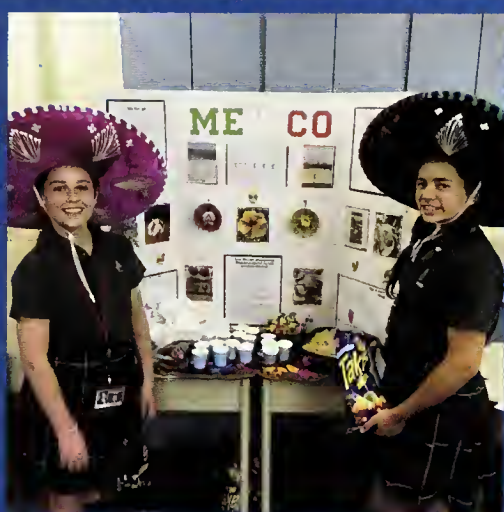

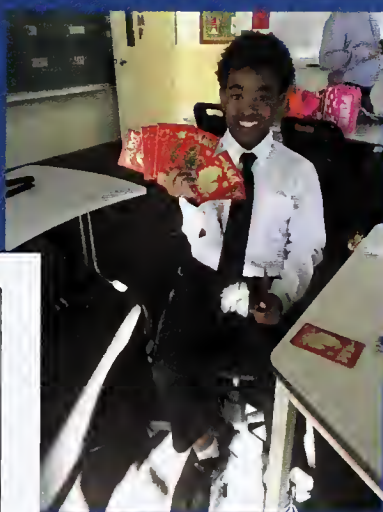

Viva l'Italia!

Science and Technology

Science is a passion here in the Junior School. Whether it's robotics, science projects, inventions, models, or solving problems - our students approach them all with great enthusiasm!

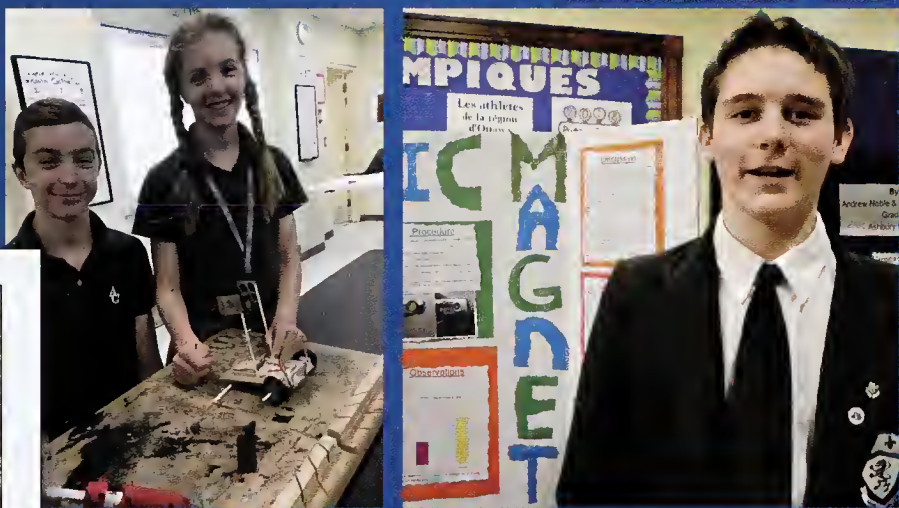

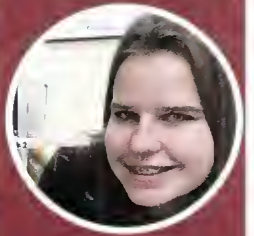

Just a small recalibration here...

Science Rocks!

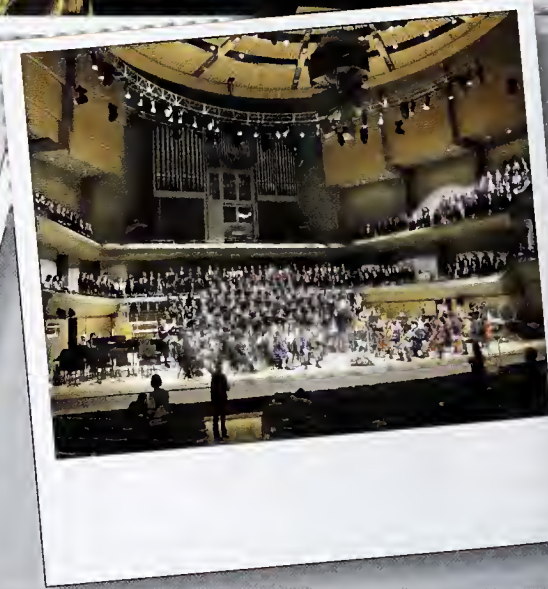

Collaborating to the finish!

Musical Genius

There were many exciting musical accomplishments this year. Western University visited Ashbury and offered clinics to our music students. To celebrate their performance, the Symphonic Band headed to Star Wars before winter break. At Capital Region Musicfest, Junior Winds received a silver medal and the Symphonic Band got gold. In April, a group of musicians travelled to CISMF in Toronto. The Symphonic Band had the honour of playing at Musicfest Nationals and won silver!

And a 1, 2, 3, 4...

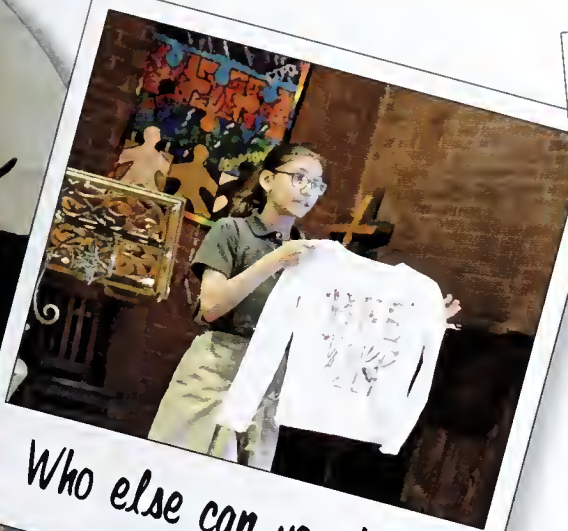

Speaking our Minds

There was no shortage of opportunities to have our voices heard this year.

Poetry readings, speeches, drama performances, and experiential learning activities all encouraged us to speak out.

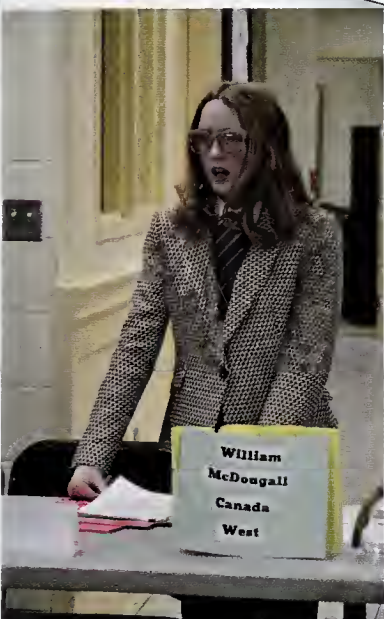

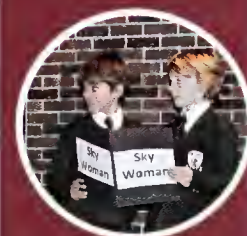

Who else can you be?

Who's under the mask?

"For never was a story of more woe than this of Juliet and her Romeo."

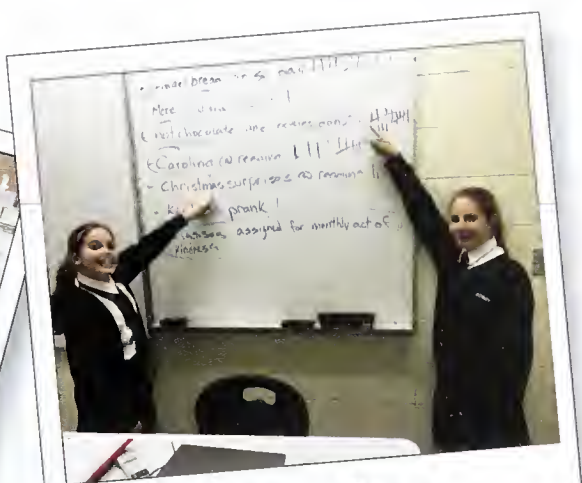

Club Action

Clubs are a wonderful time to share our passions with each other. Students participated in clubs for running, creative writing, art, crafting, science, community work, French, Spanish, Mandarin, world issues, mindfulness, science, Lego, mock trial, reading, and more!

Earth Studies

Earth Studies is our forest home away from home! We are hosted by the Cushing Family and their many animal friends. The POD students had the opportunity to see the forest in fall, winter, and spring, which allowed them to see many changes. Grade 7s travelled to Earth Studies in the fall and Grade 7s experienced the winter.

Mush!!

No black flies in here!

Grab my hand!

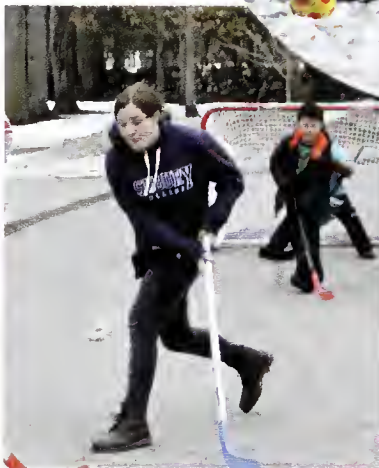

How many can fit?

Athletics

We certainly make time for sports in the Junior School. Our repertoire includes running, basketball, soccer, hockey, rugby, fencing, Quidditch, volleyball, yoga, and any other sport you can think of!

What's the plan?

Live for the game!

Life is like soccer: you need goals!

Bounce, bounce, bounce!

Junior Leaders

House Pride

There is serious competition between the houses in the Junior School! **Wizards**, **Hobbits**, **Goblins** and **Dragons** wear their colours with pride. It was a tight race this year but in the end, the **Goblins** were the winners of the Pitfield Shield!

Money Everywhere!!

Money is amazing: so said one.
Money is cool: so said another
Money is the power of the world: so said still another
Money means richness: so runs an old saying.
Money is all of these - and more.
Money pays for whatever you want - if
you have the money.

Money buys shoes, school, cars, computers,
houses, clothes, pencils, food, time to be adventurous and go to your first
football game.

Money buys everything except,
love, happiness, joyfulness,
friendship, and peace.

POP CULTURE

BEY-BIES

Beyoncé broke Selena Gomez's record for the most-liked Instagram post by announcing her pregnancy, garnering 8 million likes in the first 24 hours. In July, Bey broke her own record with a photo of the twins, Rumi and Sir, with 10.2 million likes.

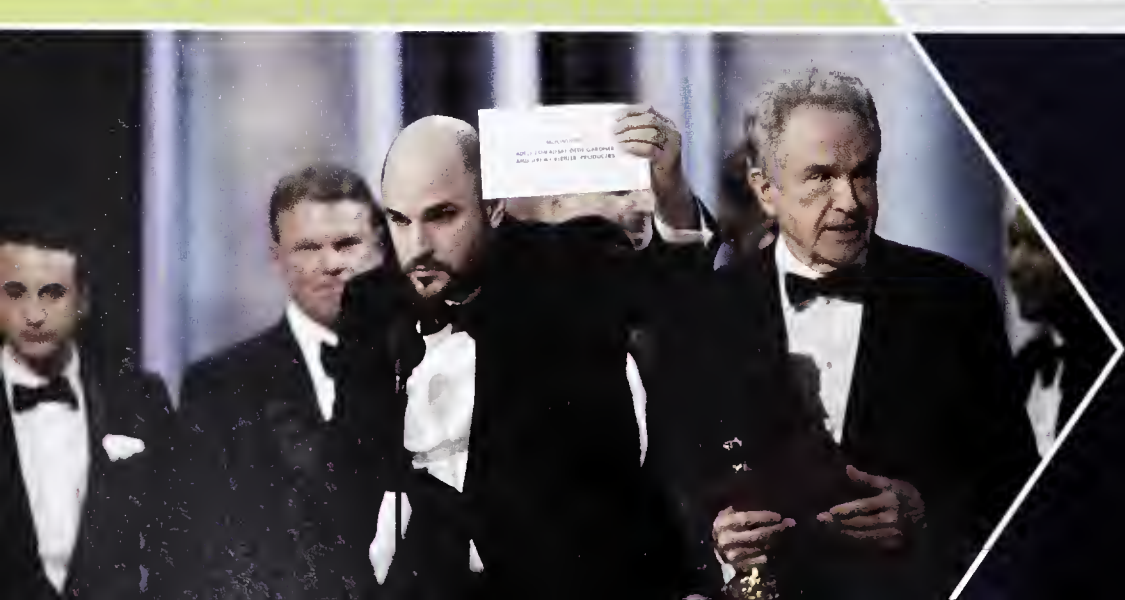

LIVING VIRTUALLY

Whether *PokemonGo* or *The Elder Scrolls V: Skyrim VR*, virtual and augmented reality are taking the world by storm by making digital landscapes come to life right before our eyes.

SWITCH SURGE

The Nintendo Switch promises gamers with a variety of play: First, gaming on the go, then at home with multiple players. The first week of launch, it sold more than 1 million units.

ENVELOPE-GATE

A faulty envelope handoff causes one of the most shocking moments in Oscars history—*La La Land* is announced as the best picture winner, when the film *Moonlight* is the true winner. A *La La Land* producer corrects this mistake onstage, shocking audiences around the globe. As a result, the Oscars will implement new rules for handing over envelopes to celebrity presenters to prevent future blunders.

FIDGETING FUN

The spinning gadgets take over malls, schools and offices everywhere this year. The fidget spinner is not patented, allowing anyone to replicate the design.

THE FORCE TURNS 40

The original *Star Wars* movie, released 40 years ago in 1977, launched one of the most successful and beloved franchises ever. The eighth movie in the series, *The Last Jedi*, is released in December.

WONDER WOMAN

Director Patty Jenkins' *Wonder Woman* crosses the \$600M threshold worldwide, making the film the highest-grossing live-action movie by a female director in history.

TV

IDOL RETURNS

Two seasons after its final episode on Fox, *American Idol* will be returning to television for the 2017-2018 season on ABC.

NETFLIX

THE FUTURE OF FUN

Streaming TV is taking over traditional cable as the way we consume entertainment. Amazon Studios, Hulu, Netflix, and CraveTV have all started their own original series to drive engagement and revenue.

TV TECH

Just as the ways we watch TV are evolving, so are the screens we watch it on. New screen technology innovations this year include 10-bit colour depth, 4K, HDR, and OLED.

WHAT'S OLD IS NEW

Shows like *Gilmore Girls* and *Full House* (now *Fuller House*) make a comeback to the small screen and their popularity shows. *Fuller House* wins the award for Favorite TV Show-Family at the 2017 Nickelodeon Kids' Choice Awards.

STERLING STORY

Sterling K. Brown, who plays Randall in NBC's *This Is Us*, makes history by becoming the first African American male to take home the Screen Actors Guild award for Outstanding Performance by a Male Actor in a Drama Series and the Golden Globe award for Best Actor in a Television Series, and the first black actor since 1998 to win the Emmy for Outstanding Lead Actor in a Drama Series.

SQUAD GOALS

The CW's *Riverdale*, a series based on the characters in the Archie Comics, became a viral favourite among teens after the pilot aired earlier this year.

TRENDS

MIND YOUR MINDFULNESS

Mindfulness and focusing on well-being are top trends this year. Calm, an app that helps you meditate and find clarity, is the 2017 Apple app of the year.

HEART ON YOUR SLEEVE

Wearable technology may soon save your life. Apple launches the Apple Heart Study app, which collects data and notifies users who may be experiencing irregular heart rhythms or atrial fibrillation. New innovations in wearable health monitoring include measurement of UV exposure, blood pressure, blood glucose, and stress.

BITCOIN BUZZ

Bitcoin, the first digital currency that does not rely on central banks or administrators, becomes a global sensation and a source of debate over the future of money.

SNAPS THE APP

Snapchat reigns supreme as the most popular app of 2017, followed by Instagram and Sandbox.

FASHION FLASHBACK

What's old is new again. Denim, chokers, patches, and embroidery make nods to the past while staying on-trend in the present.

PRIME SLIME

Making slime (a mixture of glue, water, and other additives) becomes a sensation for both kids and young adults.

FANTASTIC FOOD

From rainbow bagels to rainbow donuts, colorful, and edible treats are some of the biggest trends in food this year.
